COMPANY PROFILE

ORBITA is a reputable smart door lock manufacturer with ISO certified 46,000 square meter garden factory, established to offer the best quality products with professional and effective service to our customers.

All of ORBITA products are CE, FCC, RoHS marked and ORBITA is one the few brands in this industry that passed 800,000 times BHMA standard circling test and EU 60 minutes fire test. Regional standard like GCC, SASO, SONCAP, SIRIM are also available with all ORBITA products.

We dedicated to smart lock R&D, Production and marketing since 2004. More than 30 engineers devote to product designs. The 6 sigma quality control just ensures our customer a safe and reliable smart lock. Our service teams all over the world are committed to local and in time service.

Millions of customers covering more than 100 countries in the world are using ORBITA smart locks and ORBITA brand has become one of the most popular international Smart lock brands.

ORBITA believes that every customer is a customer for life, manufacturing products of fine quality with our experience and knowledge is our source of pride and customer's satisfaction is our only criterion in service.
